

The Shrouts to Japan

Newsletter – April 2023

Greetings from Texas!

Language

We have been continuing our studies of the Japanese language. Our kids have also been learning at their own pace. Evelynn can sing Jesus Loves Me in Japanese, and the kids will ask Jenn to tickle them in Japanese. Sometimes, they remember how to ask her to stop!

Opportunities

We had the opportunity to visit a couple of churches, and we enjoyed getting to know some of you! This month of April will be a bit busier, and we are looking forward to going to a Missions Conference in May. We are trying to plan a survey trip to Japan for August.

Support Report

We are currently a bit over 25% of the way for me to be able to quit my job, and do deputation full time. We will finalize our final support goal once we have a chance to go to Japan, which is hopefully going to be in August.

Prayer Requests

- Please continue to pray for us as we work out the timing and vehicle choice for when we replace our van when we move to full time deputation.
- Continue to pray for a smooth transition from my current full-time job in IT as we move further into deputation.
- Please pray that we will get our Passports with no issues, and that we get them in good time.

In Christ,
Zack Shrout

How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? - Romans 10:14
