

# The Shrouts to Japan

---

## Newsletter – June 2023

Greetings from Texas!

### Japan (Country/Language/Culture)

Jenn and I have our passports now, and so we are planning to go on our Survey trip, hopefully in August, possibly in September, depending on what timing makes the most sense. This will be our first real test speaking Japanese to native speakers, and not writing it!

### Opportunities

We had a great time at Caprock Baptist during their Missions Conference in May. We were blessed by a lot of great people, including the two other missionary families that were there with us. We were also able to help hand out over 500 tracts!

### Support Report

Perhaps our most exciting news is that we are now in deputation full time! We are so thankful for the support that we have received from everyone, and we are really looking forward to things moving faster now that there is no secular job to take my time.

### Prayer Requests

- We are hoping to sell our house soon, and will be moving into the missionary quarters at our church. Please pray that we will be sensitive to the Lord's timing in this.
- Please pray as we plan for our survey trip that we can get everything in order, including child care, and making sure we have our time there planned efficiently.

In Christ,
